January 2012

From the President's Piano:

We hope all our members have had a great Christmas, and are looking forward to an artistic and fun 2012.

The Christmas dinner at the Kenilworth Pub was a good note to end the year, and we greatly appreciated the distribution of gifts as well as the musical performance by the newly formed KAC String Band.

Rod Bloomer is in hospital as I write; I know you will join me in wishing him a speedy recovery.

We have a great year planned for you, please book early if you are interested in any of the shows or trips. We have been fortunate in getting a small Grant to upgrade some of the furniture in the KAC Rooms; hence the garage sale next weekend to dispose of surplus items. Council will be replacing the doors to the rooms next week, so they are getting into the cleanup act too! Thanks SCRC. If you have left anything of value in our rooms, and you do not want it sold, please claim it before next Saturday! and a reminder that the AGM is coming up, its a free night, and one of the benefits of being a member...so please come along. See you at the sale!

Jean.
